-  Heat stable up to 200° C / 390° F
-  100% Water soluble
-  Packaging: 20 kg PET bags; 36 months shelf life

PURABEET® – PLANT BASED, MULTIFUNCTIONAL INGREDIENT FOR PERSONAL CARE PRODUCTS

PuraBeet® natural betaine is a multifunctional active ingredient recognized for its exceptional benefits across skin care, hair care, and oral care. Derived naturally, betaine delivers outstanding moisturizing effects and strengthens the skin's barrier, enhancing overall protection. Its gentle, non-irritating properties make it ideal for all skin types, including sensitive skin. These outstanding features position betaine as a versatile and highly valuable ingredient for personal care products, providing enhanced hydration, protection, and soothing benefits.

AGRANA is an Austrian-based global industrial company that transforms agricultural raw materials into a wide variety of value-added products. It provides natural and safe solutions for human and animal nutrition, plant care and personal care. **PuraBeet®** is the latest innovation in **AGRANA's** range of natural personal care ingredients.

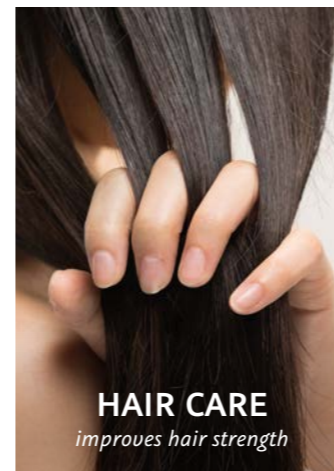

Visibly reduces wrinkles and increases skin elasticity
